

Accordia Woods Visitation Policy

- Normal visiting hours are 8am to 8pm
- Visitation outside of normal hours should be approved by the manager on duty at least 2 hours prior to visitation and should occur only in the resident's private room
- There are no visitation restrictions for:
 - End of Life situations
 - A resident struggling with the change of environment and lack of in-person family support
 - When making major medical decisions
 - When a resident is grieving the loss of a loved one
 - When a resident needs assistance or encouragement eating and drinking from a family member or caregiver who previously provided such care
 - When a previously verbal resident shows signs of self-isolation or becomes less communicative
- All visitors need to complete the visitor screening tool and have temperature taken prior to entering the facility
- All visitors are required to wear protective face covering and sanitize hands when entering the facility
- Visitors must wear mask at all times when in community common areas
- Visitation is limited to two hours unless approved by management
- Visitation is limited to two individuals at a time unless approved by management
- Manager on duty will be responsible for overseeing visitation policy and procedures.
- Visitors may have physical contact with residents, however hand sanitation is encouraged prior to and after contact.
- Vaccination is not required for residents or visitors
